**Karin Aggeler**

Abstract paintings of landscapes, moods and memories, in vibrant colors and soft hues.

**Sara Woodburn**

Artful woodcuts and Japanese woodblock prints that celebrate the natural world.

**Carissa Luminess**

Lyrical paintings of nature done with vibrant india inks showcased in an oceanfront home studio.

**Meg Ricks**

"Such a combination of joy and sophistication is rare", said a New York art critic of Meg's work.

**Nancy Hull**

Pastel paintings interpreting dramatic landscapes around the globe.

**Sally Hamilton**

Abstracted figures and botanicals in rich layered color.

**Wendy Brewer**

Mixed-Media mosaics made with glass, clay, gold leaf, crystals, metal, natural and found objects.

**Sherri West**

Contemporary sculptural basketry forms utilizing traditional techniques.

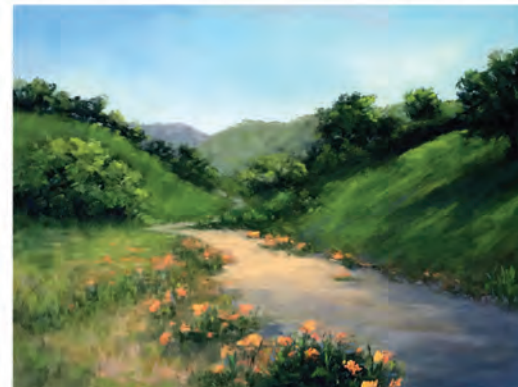

**Ellen Yeomans**

Plein air landscapes and cityscapes.

**Morgan Green**

National award-winning landscapist featuring California and the West and using suggestive realism to evoke mood with light.

**Lynn Humphrey**

Seascapes and landscapes in pastels featured in juried shows throughout Southern California.

**Bill Hull**

Interpreter of landscape, light, shadow and color. Art work is not "work"; it is a passion.

**Myla Kato**

Oil paintings of California's dramatic landscape known for their bold movement, color, and texture.
